

STATUS OF ALL CLAIMS
[37 C.F.R. §1.173(o)]

Set forth below is a complete list of all claims submitted in this reissue application. In connection with any claims amended in this response, it is not believed necessary to designate support in the specification for changes made herein, since all such changes were based on technical grounds, such as lack or indentation of elements recited, or correction of typographical errors, and the like. On page 17 of the amendment submitted on May 18, 2005, support in the specification was given for any substantive amendment to any claim.

Claim 1 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 2 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 3 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 4 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 5 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 6 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 7 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 8 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 9 (Pending) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 10 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 11 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 12 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 13 (Pending) No changes made.

Claim 14 (Pending) No changes made.

Claim 15 (Pending) No changes made.

Claim 16 (Cancelled)

Claim 17 (Cancelled)

Claim 18 (Cancelled)

Claim 19 (Amended) The amendment made in this response was to add the words of the two in line 8 after the word “other” for clarification. Also, at the suggestion of the examiner, the

amendment in this response also provides for indentation of the separate elements of the claims.

(37 C.F.R. §1.75(i))

Claim 20 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 21 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 22 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 23 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 24 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 25 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 26 (Cancelled)

Claim 27 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 28 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 29 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i).

Claim 30 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 31 (Cancelled)

Claim 32 (Cancelled)

Claim 33 (Cancelled)

Claim 34 (Cancelled)

Claim 35 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i). Also, at the examiner's suggestion, the words of the two have been inserted before the word "other" in line 1 in accordance with the examiner's suggestion for clarification.

Claim 36 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i). Also, at the examiner's suggestion, the words of the two have been inserted before the word "other" in line 1 in accordance with the examiner's suggestion for clarification.

Claim 37 (Cancelled)

Claim 38 (Pending) This claim was objected to for failure to provide indentation (37

C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 39 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 40 (Amended) The change made to this claim is the deletion of the second occurrence of the word “wherein” in line 1 which was noted by the examiner. The claim was also objection to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 41 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(i). Also, at the examiner’s suggestion, for purpose of clarification, the second occurrence of the word “wherein” in line 1 has been deleted.

Claim 42 (Amended) The amendment in this response consists of indenting separate elements of the claim pursuant to 37 C.F.R. §1.75(I). Also, at the examiner’s suggestion, for purpose of clarification, the second occurrence of the word “wherein” in line 1 has been deleted.

Claim 43 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 44 (Cancelled)

Claim 45 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 46 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 47 (Cancelled)

Claim 48 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 49 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 50 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 51 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 52 (Cancelled)

Claim 53 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this objection has been made in this response.

Claim 54 (Pending) This claim was objected to for failure to provide indentation (37 C.F.R. §1.75(i). This is a dependent claim and amendment to the parent claim (or claims) on this

objection has been made in this response.
